Subject: **Grant of Accreditation with Advisory**

Dear Sir,

With reference to the Assessment of your laboratory, please note that the assessment report has been evaluated at NABL. In view of the same, I am pleased to inform Grant of accreditation to your laboratory as per ISO/IEC 17025: 2017 for the Chemical, Mechanical and Non-Destructive testing disciplines of testing field for the scope recommended by assessment team. However, the laboratory is required to address the following within 10 days:

1. Review MU for Sulphate content test in Coarse aggregate under Building material in Chemical scope.
2. Provide sieve size in Sieve analysis test in Coarse and Fine aggregate under Building Material in Mechanical scope.
3. Review lower limit for Soundness (Le-chatelier) test in OPC & PPC under Building material in mechanical scope.
4. Review test parameter name 'Moisture content' in Soil under Soil & Rock group in Mechanical scope.

All Personnel proposed by the laboratory to report, review and authorize the results are approved.

The Accreditation Certificate No.: TC-11016 for the Chemical, Mechanical and Non-Destructive testing disciplines of Testing field with issue date 24-09-2022 and valid till 23-09-2024.

Being an accredited laboratory of NABL, you must fulfill all the Terms and Conditions laid down in the document NABL 131. You shall refer and follow NABL 133 while using the NABL symbol (for claiming the NABL accreditation).

The accreditation is subject to continued compliance of NABL norms during the accreditation period. You are required to submit the application for Onsite Surveillance through portal after 10 months from the issue date of accreditation.

You are also required to submit the PT Plan versus Compliance for the entire scope in line with Form 18 of NABL 163.

\*Note: Payment of AAFEE charges is mandatory to view/download the scope and certificate.

Yours Sincerely,

**Neeraj Verma**
